☐ Congratulations! Your I-485 application has been recommended for approval. Within the next two to four weeks upon approval, the Service will be sending you an approval notice followed by your legal permanent resident card. Please notify the Service of any change of address. If after thirty days you do not receive your legal permanent resident card, you may contact the Service at 1-800-375-5283 or check the status of your receipt number online. Visit our website at [www.uscis.gov](http://www.uscis.gov) for case status online. If you are a male between the ages of 18 and 26, you must register under the provisions of the Military Selective Service Act, with a designated employee at any United Post Office within thirty (30) days following the date on which you entered any part of the United States.

☐ Pursuant to Section 216 of the Immigration and Nationality Act, upon approval, you will be granted conditional permanent resident status for a period of two years. In order to remove your conditional status, you must file Form I-751 with the Service during the 90 days immediately prior to the expiration of your legal permanent resident card. This form and information pertaining to the process is available on the Service's website at [www.uscis.gov](http://www.uscis.gov). If a petition, Form I-751, to remove the conditional basis of your status is not filed within this period, your Conditional Permanent Resident status will automatically terminate and you will be subject to deportation from the United States.
